

COVID-19 Update

With COVID-19 continuing to develop, our commitment is to adhere to the strictest of W.H.O advice, and the protocols advised by local and international authorities.

The well-being of our clients, our associates and our staff is our absolute priority, and you can be assured that health and safety has our complete attention.

All of our employees are fully aware of the current requirements and we will continue to undertake extremely rigorous levels of health and safety procedures associated with veterinary healthcare to ensure that the highest possible hygiene standards are maintained, throughout every aspect of our practice.

It is of vital importance for us to be in a position to ensure that any and all procedures are in place to support the health and well-being of our customers.

We will be following developments on a daily basis with intense scrutiny.

If you have any further questions, please contact either deborah.pickervance@oakhill-vets.com or tony.barry@oakhill-vets.com.

We would also like to take this opportunity to thank you for your continued support and loyalty.
