

## EVENT: Keeping The High Yielder Healthy: Part 1

**Venue: J & D E Mitchell & Son, Snapewood Farm, Snapewood Lane, Garstang, PR3 0JP**

Consultant Dairy Vet and Johnes enthusiast Peter Orpin (Park Vet Group, Leicester) talks innovative control strategies and common pitfalls of infectious disease control. Workshops to include the latest in Johnes and IBR control, becoming BVD free and, if the weather holds, a look at zero grazing on the host farm.

**For more information or to book, please contact Oakhill Farm Vets on 01772 861300.**
