

Equine Worm Control Plan

Responsible use of wormers is hugely important to help prevent the development of resistance. Our year round Worm Control Plan includes faecal worm egg counts and EquiSal tapeworm testing which play a vital part by providing information about your horse's worm burden. Should your horse have a positive result, wormers will be provided as part of the plan.

Our easy-to-follow Worm Control Plan covers ALL worms that may affect your horse and it can be started at any time of year.

2019 Annual Worm Control Plan

1 x under 13.00hh (under 300kg)	Size Code S	£52.00
2 x under 13.00hh (both under 300kg)	Size Code 2	£89.00
1 x under 16.00hh (301kg - 575kg)	Size Code M	£75.00
1 x over 16.00hh (over 575kg)	Size Code L	£91.00
